

General terms and useful information

Dear exponents,

In order that everything goes according to the best circumstances, and abiding by every cantonal hygiene requirements in effect, and the concept of the multicultural festival which has been approved by the festival organizing committee, we ask you to kindly take note of the following rules:

1. Respect the concept of the festival:

-Exponents from Lyss and the surroundings for **Cultural** reasons only, not:
Commercial, Association, Community, Society, Religion, Politics...etc.

2. Important information for the booths:

- The decoration needs to be typical and traditional for the country;
- Advertising and music is forbidden on the booths;
- It is forbidden to sell alcoholic and non-alcoholic drinks on the booths;
- Offer drinks and food (in small amounts) typical and traditional of your country;
- Offer small amounts of food is advisable (5frs to 8frs)
- Show the prices

According to the needs and weather conditions, you need to have:

- Protection against the sun and rain, chairs...etc.
- Small crate with a key is advisable
- Garbage bag
- Clingfilm...etc.

3. Cantonal hygiene requirements in effect (Hygiene Service will possibly inspect, and there will be eventual charges for the owner of the booth)

- Workspace needs to be clean
- Keep foodstuffs from the harmful external influences (customers, birds, flies, dust, etc)*
- Perishable foodstuffs need to be freshly transported and stored. (+5°C storage for foodstuffs that need cooling, +2°C for transport and storage of minced meat and fish)
- Storing foodstuffs need to be at a sufficient height above the ground.

-Meals that are served hot to the consumer need to be maintained in a high enough temperature to avoid quick growth of microorganisms (temperature greater than or equal to 65°C is recommended)
